The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

CONFLICT OF INTEREST AND DISCLOSURE CODES (ALL DISTRICTS) (3-VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve the Conflict of Interest and Disclosure Codes for the Bassett Unified School District, Crescenta Valley Water District, Garvey School District, San Gabriel Valley School District's Self-Insurance Authority, and San Gabriel Valley School District's Self-Insurance Authority for Liability Protection to be effective the day following your Board's approval.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommendations are necessary in order to comply with the provisions of the Political Reform Act of 1974. In accordance with the Act, the Board of Supervisors must approve a Conflict of Interest and Disclosure Code for each local government agency for which the Board of Supervisors is the code reviewing body.

Pursuant to Government Code Section 87300, every agency must adopt and promulgate a Conflict of Interest and Disclosure Code that, as the code reviewing body for Los Angeles County, the Board of Supervisors must approve before the code can then take effect. In addition, pursuant to Government Code Section 87306, agencies are required to amend their Conflict of Interest Codes when such amendments are necessitated by changed circumstances.

Implementation of Strategic Plan Goals

Approval of the attached codes broadly supports the County Strategic Goal of Workforce Excellence.

The proposed amendments to these Conflict of Interest and Disclosure Codes have been thoroughly reviewed and approved by the code review staff in accordance with the procedures established by your Board.

FISCAL IMPACT/FINANCING

Local governmental agencies must have a Conflict of Interest and Disclosure Code in which designated employees are required to disclose financial interests at a level appropriate to their decision-making authority. These employees make or participate in the making of decisions that may have a foreseeable material effect on a financial interest. Adoption of a Conflict of Interest and Disclosure Code deters potential conflicts of interest, thereby averting misuse of public funds.

The recommended action has no effect on budget revenues and expenditures.

The code review staff recommends that your Board approve the newly adopted or amended Conflict of Interest and Disclosure Codes for the department/agencies listed below, pursuant to Government Code Section 87300.
